

Your Visit

Ropery Hall has introduced new arrangements for hygiene and the application of social distancing.

We politely request that you refrain from visiting should you start displaying any of the symptoms associated with COVID-19.

Entry

- There will be a queuing system before entry – Please make sure that you bring everything you will need with you to avoid walking against the flow of people entering.

General

- Please respect the areas marked out for safe distancing; Perspex screens will be in place on sales counters and staff will be wearing appropriate face-coverings
- We ask you to wear face coverings until you are seated. Please put your mask back on when you stand up and move around.
- For all events, tickets are sold in-advance only with no on-the-door sales, to comply with Track and Trace. We have the NHS QR code poster in the foyer for anyone who has downloaded the app to use
- To comply with recent changes to legislation we ask you to refrain from mingling.

Hygiene

We have adopted enhanced cleaning measures to help prevent the spread of Covid 19

- The building is deep cleaned every morning before opening.
- All regularly touched surfaces are sanitised.
- Hand-sanitisers are available to use at the entrance to the building.
- Signage introduced for public guidance.

Toilets

- Toilets are cleaned every morning.
- There is a one-in, one-out policy with signage on the doors – please wait behind the floor markings.
- Sanitising wipes are provided in each toilet – it is the responsibility of the individual to cleanse before use and dispose of the wipes in the bin and not down the toilet.
- Please wash your hands thoroughly with soap and water before using the hand dryers.

Bar

- **We are operating a table-service only.** Please take your seat at your allotted table and someone will come to take your order. Interval drinks may be ordered in advance.

Exit

- The exit is down a narrow path – please do not be in a rush to leave.
